God of Creation - Jen Wilkin

Led by Janna Baker & Krista Daulton

The opening lines and chapters of Genesis teach us fundamental truths about God. We watch Him bring light after darkness, order after chaos, and rest after toil--all through the power of His Word. As God reveals Himself through Scripture, we can only begin to understand ourselves when we first glimpse the character, attributes, and promises of our Creator.
Cost:\$13 **This study will also be available Wednesday evening and led by Beth Straw.*

Study of Joel and Amos

Led by Jennifer Derksen

Have you wondered about some of the minor prophets but never taken the time to dive in? Let's take a look at Joel and Amos and see what God had to say to the original audience and to us today. We'll use the inductive method to dig into God's word.
Cost: TBD for copies.
