- What do you long for at Christmas? At other times of the year?
- Have you found yourself longing for a particular vision of the good life? What's there in that life you long for?
- What do you think it takes to be happy? Is being "happy" and being "at peace" two different things? Are they the same?
- Describe what you recall about Melchizedek. Were you familiar with him before we began this study?
- What's the significance of Abraham paying a tithe to Melchizedek and receiving a blessing from him?
- How are Melchizedek and Jesus similar? How are they different?
- How was Abraham blessed by God? How does that blessing extend even to us?
- How does the blessing of Jesus as our Great High Priest ultimately satisfy?
- Do you find yourself at peace because of Jesus? If so, how? If not, why not?
- What, ultimately, do you long for?
