Greater Than Angels – Hebrews 1:5-14 – Oct. 7, 2018

- How does our culture portray angels? What images do you have of angels?
- Why do you think the author of Hebrews goes to lengths to contrast Jesus to angels?
- Look in verses 5-6. Where do you see that Jesus is Greater than a creature; he is God to be worshiped? How can you look more at Jesus in order to value him more?
- Look at verses 7-9. How do they picture Jesus as Greater than a servant – a Lord to be followed? What defines Jesus' lordship in verse 8? How does following Jesus lead to gladness, righteousness, and peace in his justice?
- Look at verses 10-14 (especially verse 13) – how is Jesus greater than angels as a Savior and Judge? What things do you tend to hope for, or hope in? How does Jesus give us a better hope that sustains us and frees us to love others?
