

## February 10, 2019

A weekly guide of prayer concerns in the Faith Church family and ministry.

### **PRAISE THE LORD**

Before expressing your petitions to God, take some time to express your praise to Him. Declare your worship to God for who he is (Father, Son, and Holy Spirit) and for his gospel plan to rescue a people for himself and to restore all things to his eternal purpose.

### **Sunday, February 10**

Pastor Jeff preaching from Hebrews 10.

For since the law has but a shadow of the good things to come instead of the true form of these realities, it can never, by the same sacrifices that are continually offered every year, make perfect those who draw near. Otherwise, would they not have ceased to be offered, since the worshipers, having once been cleansed, would no longer have any consciousness of sins? But in these sacrifices there is a reminder of sins every year. For it is impossible for the blood of bulls and goats to take away sins. (Hebrews 10:1-4)
