## Sermon Discussion Questions

Life With God // 2 Corinthians 3:12-18

- When have you really grown or developed in some way – in a skill, in your character, in a relationship, in maturity? Who or what encouraged that development?
- The Holy Spirit removes the “veil” over our eyes to see the glory of God in his Word (vv. 12-15). How has God grown you in understanding him, his character, his purposes? How have others been a part of that growth?
- How does the Spirit lead us into freedom (v. 17)? What kind of freedom? From what does God set us free? What habits, attitudes, history, traditions, beliefs do you need freedom from?
- The Spirit transforms us as we reflect (or behold) the glory of Christ (v. 18). What does it mean to reflect or see the glory of God in Christ? What helps make that happen in our lives? How are you being transformed into the glory, the image of Christ?
- How can you help others see and experience the glory of Christ?
