Sleeping Through the Struggle // Mark 4:35-41

- How has your life been interrupted this week? What emotions rise to the surface in those situations of interruption?
- What are your fears in this current storm? What are you afraid of losing? What are you afraid will never be the same? What are you afraid of missing out on?
- If we are to view God's power over the storm as an "in-breaking of his kingdom for those with eyes to see," where do you see God at work in the storm? How is he drawing you into a deeper relationship and a greater faith?
- Read Psalm 102, specifically verses 18-22. What comfort does it bring to you knowing that in this storm, the Lord is in our midst and hears our prayers and groans?
