## Sermon Discussion Questions

### Live By The Spirit //

- Life in the Spirit is about “fixing the itty bitty-things in our lives so they align with the rules, regulations and rhythms of God’s kingdom, just as Jesus did.” What seemingly small things do you need to align with God’s kingdom?
- What is the Holy Spirit’s role in your life? How does the Spirit bring life to you and grow you to be more like Jesus?
- Read Galatians 3:1-6 to learn what it means to “live by the Spirit.” Discuss what it means to accept the Gospel through faith, then continue to live in Faith.
- How do you know if God really has done a work in your heart by the Spirit? Pastor Joey and Jeff discuss feelings you may experience that you can point to in your own life. Are you missing half of the Spirit’s ministry in your life by only experiencing positive emotions?
- “...Are you now being finished by the flesh?” What would I look like if I was finally, *in full*, who I was made to be? Since we began our walk in Faith by the spirit, then we must also be finished by the Spirit.
- “Just because you live in the spirit, doesn’t make following the Spirit’s direction automatic. You have to choose to do it. And you can.” - N.T. Wright
  - What’s fueling my growth?
  - What do I want to grow into?
