Can you list the fruit of the Spirit?

Pastor Joey said that growing in your faith is like growing a garden! Use the back of this page to do these steps:

1. **Draw a picture** of a garden and label the plants or flowers with the fruit of the spirit or other characteristics of faith in God.
2. **Draw yourself** next to the garden. You can be watering the garden or tending to the plants. You have a responsibility to help these fruits grow!
3. **Draw a new seed** that you'll plant. The seed has God's power and life inside of it! It is your responsibility to put it into the soil and water it.

Each plant began as a seed with life from God inside of it! Now look how it has grown into plants and flowers!
4. Talk to your parents about your garden!
