Sermon Discussion Questions

Love // Galatians 5:19-26

- What definition of “love” do you practice towards those you love?
- Pastor Jeff shared a definition of love from Tripp. After hearing this sermon, what would you say is your definition of love and how should you practice it?
- In what areas of your life should you reassess and change how you demonstrate love based on the descriptions of what love is *not*.
- Our pastors unpacked what love is not. They may have uncovered something you haven’t considered before or the Spirit revealed it in a fresh way to you. What stood out to you?
- Do you need to confess and seek forgiveness for any unloving action (outward or inward) to God or others?
- Remember: fruit starts small. What evidence is there in your life that you’re growing in the fruit of the Spirit and in love? What evidence would others say about you from the outside looking in? Are you more loving today than you were a year ago, or ten years ago?
