## Sermon Discussion Questions

Joy // 1 Peter 1:1-9

- Our pride makes us think that God chose us to be a part of His team but we really have nothing to offer. Is this an easy truth for you to accept? What actions are you doing regularly because you forget this truth?
  - You weren't chosen for your potential. Let this amaze you and bring delight to your soul. What does it look like for us to believe this about ourselves? How should it change how we treat others?
- What treasure have you been chasing that isn't the true treasure? How have you attempted to own and control your own happiness?
- How can you personally grow in joy? What can you participate in that reminds you of the true treasure and source of our joy?
- What are you counting on for happiness? Are you spending your days during quarantine pursuing joy or pursuing happiness?
- Remember: Fruit starts small. What evidence is there in your life that you're growing in the fruit of the Spirit and in joy? What evidence would others say about you from the outside looking in - especially over the last few months?
