Sermon Discussion Questions

Peace // Philippians 4:4-9

- We have peace *with* God. Read Romans 5:12–19. Does peace with God through Jesus Christ sound too easy? Why or why not?
- True peace comes from surrender, rather than control. In what ways have you attempted to control peace with God, and/or peace from God.
- What is something that stands in the way of your peace with God? What is one thing you can do this week to begin to surrender that area of your life?
- We can have peace regardless of circumstances in our lives. Give an example of a time when circumstances have overshadowed your peace or when peace shone regardless of circumstance.
- We can grow in peace with God by meditating on scripture. Are you spending time in God's word? Are you making time to meditate on the words you read?
- We can grow in peace with God by following the example of others. Who in your life exhibits true peace. What about them do you admire and why? What steps in your life could you take to grow in peace (responsible participation)?
