

**Ministry in the COVID-19 Era Consent Form**

On March 11, 2020, The World Health Organization declared the novel coronavirus, COVID-19, a pandemic. COVID-19 is highly contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing.

Faith Church has put precautions in place to reduce the spread of COVID-19; however, Faith Church cannot guarantee that you or your family, including your child(ren), will not become exposed to or infected with COVID-19. Further, because of the number of individuals involved in ministries at Faith Church and the fact that many infected individuals appear to be asymptomatic, serving as a ministry volunteer could increase your risk of contracting COVID-19.

By signing below, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I or others with whom I come into contact may be exposed to or infected by COVID-19.
