

Director of Worship PLUS

Overview

Lead the people of Faith Church in worship of God through contemporary worship, including planning, preparation, and execution of weekly in-person and online worship, as well as leading the worship team and congregation as a whole.

This position will utilize their additional gifting in another ministry area at Faith, to be determined in cooperation with the pastoral staff and the Director of Worship.

This is a full-time salaried position averaging 40-50 hours with full benefits. This position reports to the Pastor of Teaching and Discipleship

Qualifications

- Believer in Jesus Christ as Lord and Savior and committed to the doctrine, mission, values, and bylaws of Faith Church
- Intimate, dynamic, and growing relationship with God through Christ
- Passion for leading people into worship of God
- Maintain healthy, God-honoring relationships with family and community
- Gifts and training in contemporary and traditional worship leading
- Relational and leadership ability to provide training, shepherding, and leading to worship team members
- Ability to select appropriate music and readings for the skill level of the worship team volunteers and for the spiritual formation of the congregation, and ultimately for the glory of God
- Thorough understanding of music and production technology and its role in enhancing worship both in-person and online
- Passion for ministry leadership in an additional area, with applicable gifting and training

Responsibilities pertaining to Worship Leadership

Duties include, but not limited to:

- As part of the Faith Church staff team, own and implement the staff and church core values
- Plan, prepare, and execute in-person and online weekend services in collaboration with the preaching pastor
 - Regularly lead congregational worship for the contemporary services
 - Recruit, train, and mentor volunteer worship leaders
 - Plan music for contemporary worship services, with an appreciation for the history and practice of worship at Faith Church
 - Recruit, develop, and shepherd the worship team volunteers musically and spiritually
 - Organize and lead worship team rehearsal, including planning and communication of worship transitions and spoken/service elements, worship team devotions and prayer, and communication and fellowship among team members
 - Oversight and resourcing of volunteer leadership of traditional service, as needed
- Cast vision for, oversee, and maintain the quality of Faith Church's online service
- Organize and lead all-church services and special services, such as Good Friday, Christmas Eve, quarterly prayer and worship events, etc.
- Maintain a healthy collaborative relationship with all Faith Church ministries
 - Provide support for worship music needs as they occur in any ministry of the church
 - Work with support staff on media and sound engineering
 - Influence, resource, and equip student worship ministry and leadership
- Oversee the budget for worship ministry
- Participate in weekly staff meetings
- Other duties as assigned

Relationships

- Directly accountable to the Pastor of Teaching and Discipleship
- Interacts with Pastors and A/V Production Assistant in fulfilling responsibilities
- Interacts with other supervisors as necessary for additional ministry responsibilities
- Selects, schedules, and leads worship team volunteers
