SUNDAY SUPPORT
WITH THE TECHNOLOGY SUPPORT TEAM

Role of the Sunday Support Volunteer:

Being "on-call" throughout the church for questions about AV and IT issues. Some Sundays may be no calls whatsoever, and some Sundays may be very busy. Your name would be left at the info desk where someone could text you if needed.

Goal: Provide consistent quality of AV and IT support allowing others to grow and hear the gospel through their time in our church.

Requirements of the Sunday Support Volunteer:

1. Serving during either first or second service roughly once a month – Service depends on which service you usually attend.

2. Knowledge of AV/IT needs on a Sunday morning. Could include:

    a. Wi-fi connection
    b. Printer/Copier
    c. Livestream functionality on lobby TVs
    d. Zoom
    e. Classroom technology (sound, projection, recording)
    f. Children's Check-in

3. Willingness to learn to help with app/CCB questions if needed.

Guidelines:

Each quarter of Grow Classes are different - different locations, needs, and desires. The ability to be flexible as things change regularly is a benefit.

Ability to communicate and work well with all types of people is desired. The church varies in ages, stages, and nationalities.

All volunteers will be provided with training by the Leader when necessary.
