

SET-UP SUPPORT

WITH THE TECHNOLOGY SUPPORT TEAM

Role of the Set-Up Support Volunteer:

Helping get the church set-up for AV and IT needs on a Sunday morning.

Goal: Provide consistent quality of AV support allowing others to grow and hear the gospel through our classes.

Requirements of the Set-Up Support Volunteer:

1. Serving roughly once a month – Arrival a half-hour before first service begins
2. Knowledge of turning on slide loop/livestream setup for Lobby TVs.
3. Classroom setup for all Grow Classes on a Sunday morning. Could include:
 - a. Sound
 - b. Projection
 - c. Recording
 - d. Zoom
 - e. Wi-fi Connection
4. Willingness to help classroom leader/assistant know how to take attendance in the app.

Guidelines:

Each quarter of Grow Classes are different - different locations, needs, and desires. The ability to be flexible as things change regularly is a benefit.

Ability to communicate and work well with all types of people is desired. Grow Classes vary in ages, stages, and nationality.

All volunteers will be provided with training by the Leader when necessary.
